City of Jackson

PERMIT APPLICATION No._____

PLANTING OF MANAGED NATURAL LANDSCAPE on PRIVATE PROPERTY

NAME_____ DATE _____

ADDRESS_____ PH.#_____

ADDRESS FOR PLANTING IF DIFFERENT THAN ABOVE: _____

***(On the reverse side, please draw managed landscape design with dimensions) ***

A "managed natural landscape" means a planned, intentional, and maintained planting of native or nonnative grasses, wildflowers, forbs, ferns, shrubs, or trees, including but not limited to rain gardens, meadow vegetation, and ornamental plants.

Before approval of the permit, the applicant understands and agrees to the following:

1. **If managed natural landscapes are not maintained by the property owner or renter, the city has the authority to enter upon premises to maintain the same according to city ordinances.**
2. **Managed landscapes shall be planted at least 10 feet from any fire hydrant or water shutoff valve.**
3. **Call GOPHER STATE ONE (1-800-252-1166) at least 48 hours in advance of planting if digging more than 12" down. (Failure to do so could result in a $500 fine, plus replacement of utilities that are damaged.)**
4. **No planting shall take place until this application is signed by the City Administrator.**
5. **Applicant must reapply yearly to maintain eligibility.**

NOTE: *Managed natural landscape permits are subject to the regulations outlined in Minnesota Statute 412.925 and do not include turf-grass lawns left unattended to return to a natural state. Ordinance 92.25 "Weed Ordinance" is amended to the extent necessary to comply with Minnesota Statute 412.925.*
