

Paying Your Bill Made Easy

It's Simple...this free service deducts your monthly payment from your checking or savings accounts the 15th of each month. You will continue to receive a monthly statement showing the amount that was automatically withdrawn.

It's convenient...Easy Pay is a quick and easy way to ensure your city utility bill is paid on time every month. Prompt bill payments help you avoid additional charges for late payment penalties.

How to Sign up...Simply complete the Easy Pay form below and send it with your next payment. A message, "Paid by Draft", on your monthly bill will notify you of your completed enrollment.

Meter Readings....It is still necessary for you to submit meter readings to us by the 15th of each month. You can call, mail, fax, e-mail or drop those numbers off at City Hall.
